FORTNIGHTLY SYLLABUS 2018- 2019
NEW SESSION – 2ND APRIL 2018

S. No	Fortnight	Days	Main Topic	Sub Topic	No. pd	Total Pd	Assignments	Periodic Test	Subject Enrichment
1.	2 nd April – 13 th April	11	Chapter 1 The Earth in the Solar system	Introduction- The different celestial bodies	2	06			The solar system
				Solar system	2				
				Moon	1				
				Asteroids and Meteoroids	1				
2.	16 th April – 27 th April	11	Chapter 2 Globe: Latitude and Longitude	Introduction	1	07			Diagrams (as mentioned in the assignment booklet)
				Latitude	1				
				Heat zones	1				
				Group activity: Report on globes or maps (history, uses etc) Discussion Evaluation	1 1				
				Longitude	2				
3.	1 st May – 18 th May	14	Chapter 2 Globe: Latitude and	Standard meridian, Longitude and time	2	09			Calculation of time at different longitudes.

			Longitude						
				Calculation of time at different longitudes.	2				
			Chapter 3 Motions of the Earth	Introduction Rotation	2				
				Revolution	1				
				Summer Solstice and Winter Solstice	2				Draw the diagram to show the position of the Earth on summer and winter solstice along with the dates.

PTM – 12th MAY 2018
SUMMER VACATION – 19th MAY TO 1st JULY 2018

4.	2 nd July- 13 th July	10	Chapter 4 Maps	Introduction Types of map	2	6			
				Components of map	2				Identification of different types of maps.
				Distance	1				
				Direction	1				

5.	16 th July – 31 st July	13	Chapter 4 Maps (contd.)	Symbols	1	7	17/7	30/7	Draw conventional symbols
				Draw conventional symbols	1				
				Map interpretation pg 27, answer the following questions	1				

				Sketch and Plan	1				Map interpretation pg 27, answer the following questions
			Chapter-5	Introduction	1				
			Major Domains of the Earth						
				Lithosphere	2				

6.	1 st August – 18 th August	13	Chapter-5 Major Domains of the Earth (contd.)	Continents Asia, Europe, Africa	2	8	9/8		
				North America, south America, Australia, Antarctica	2				
				Activity Quiz on continents	1				
				Hydrosphere	2				Sketch showing how the domains of the Earth interact with each other to make life possible

				Draw a sketch showing how the domains of the Earth interact with each other to make life possible	1				
7.	20 th August – 4 th September	10		Map work	2	6			Map work-World Map : Major Continents & Oceans
				Atmosphere	1				
				Biosphere	1				
				Global warming	1				

				Discussion Evaluation	1				
Completion of syllabus by 4th Septemeber 2018 Revision – 6th To 11th September 2018 MID TERM EXAMS – 12th September – 22nd September 2018 PTM – 13th October 2018									
8.	24 th September- 17 th October	17	Chapter 6 Major landforms of the Earth	Introduction Internal external forces Types of Landforms Mountains Uses of mountains	2 1 1 1	10	11/10		
				Activity on mountains and various sports done on mountains Discussion evaluation	1 1				Draw pictures of different type of mountains (fold, block, volcanic) Identify various sports done on mountains
				Types of mountains fold, block, volcanic	2				
				how man pollutes land and water	1				
Dusshera Break – 18th October – 21st October 2018									
9.	22 nd October-3 rd November	10	Chapter 6 Major landforms of the Earth (contd.)	Plateaus Introduction Feature Uses	3	6			
				Plains Introduction Features Uses	3				
Diwali Break – 5th November to 11th November 2018									

10	12 th November- 30 th November	13	Chapter 7 Our country India	Introduction Location Unity in diversity	3	8	20/11		
				Political & administrative divisions Neighbouring Countries	2				
				Map Work	1				Map Work
				Physical divisions introduction	2			30/11	
11	3 rd December- 15 th December	11		Mountain N. Plains Desert	1 2 2	7			
				Peninsular plateau	2				

12	17 th December -29 th December	10	Chapter 7 Our country India (contd.)	Ghats & coastal areas differences	2	6			
				Islands, Corals , Tsunami	2				
				Discussion Evaluation	2				

Winter Break – 31st December 2018 to 9th January 2019
