

DELHI PUBLIC SCHOOL, MATHURA ROAD
PRIMARY WING
NEWSLETTER FOR THE MONTH OF MARCH 2025

Dear Parents

As we conclude the academic year, we take pride in our students' achievements and progress. Their dedication across academics, and co-scholastics areas has been truly commendable. From sports, general knowledge quizzes and exhibitions to debate, dance and music, our students have excelled in their pursuits and showcased their talents.

We celebrate World Wildlife Day by engaging our Class I and II students in meaningful activities that raise awareness about endangered and extinct animals. With the forthcoming final exams for classes III, IV, and V, March is also the time to stay focused, prepare diligently and excel.

We are excited to unveil ASCEND 2025, a vibrant and enriching program for the students of Class II to V. This initiative is designed to enhance students' general knowledge, spoken English, subject proficiency, and sporting skills. It aims to ignite curiosity, foster confidence and holistic growth.

We remain committed to providing a nurturing environment for our students to excel. Your continued support and engagement in their journey are greatly appreciated.

Warm wishes

Manisha Varma

Headmistress
