

Dear Parent

February 1, 2025

As we welcome the month of February, we embrace the vibrant spirit of spring, with the fading winter chill gives way to the warmth of the sun. Our surroundings come alive with blooming flowers and fluttering butterflies. This breathtaking transformation in nature mirrors the growth, joy, and confidence we see blossoming in our children every day. As we celebrate this new season, we also honour the flourishing achievements and talents of our little ones.

Last month, the Republic Day assembly fostered a spirit of patriotism, featuring a captivating tribute to Dr. B.R. Ambedkar- Father of our Constitution, complete with cultural performances and a marching contingent honouring our armed forces.

We are also excited to announce that Sports Day, originally scheduled for January, will now take place this month. This event promises to be a wonderful opportunity for our children to showcase their skills and teamwork.
