

DELHI PUBLIC SCHOOL, MATHURA ROAD
PRE-PRIMARY WING
Activity Report for the month of April

2018 Activities

Activities for the month

Welcome Activity-

Pre-Primary (Monday, 2nd April, 2018)

The kids who have stepped up the ladder were welcomed to their new class with a **super star** badge, which they proudly wore back home.

Tuesday, 3rd April, 2018

Painting- The children enjoyed splashing multiple colours on a sheet of paper and watched the different **Splash** pattern they made to their delight.

Pre-School (Monday, 5th April, 2018)

The little ones were welcomed to their new school on the first day with a special star badge pinned on their dress.

Friday, 6th April, 2018 - Hand Painting –

An imprint of the child's hand was taken for a precious memory record 'the Year Book'.

Friday, 20th April, 2018- Earth Day Assembly-

The Earth is our home and it is very important to sensitize children about the importance of taking care of Mother Earth. An assembly was conducted by Pre Primary-H to celebrate this special day.

The children made special mementos to express their love and concern for mother Earth and these were displayed in the class rooms.
