### **A Brief History of the School**

Delhi Public School established in 1949, functioned from a few tents pitched on the ground cleared from the onslaught of brambles. Today, spread over about 15 acres of lush, green lawns, in the heart of the city, Delhi Public School is a co-educational day-cum-boarding school. The foundation stone of the school building was laid in 1956 by Dr. S. Radhakrishnan the then Vice President of India. The impressive school building today comprises workshops, laboratories, a computer centre, audio-visual lecture rooms, libraries, swimming pools, football and tennis courts, squash courts, clinic, stationery shop, the hostel and school canteen.

The school functions under a registered society with eminent educationists, social workers and medical specialists. **Ms. Vrinda Sarup is the Chairperson, Managing Committee, DPS Mathura Road; Shri B.K. Chaturvedi is the Chairman, The Delhi Public School Society and Member Managing Committee, DPS Mathura Road; and Shri V.K. Shunglu is the Vice Chairman, The Delhi Public School Society and Vice Chairman Managing Committee, DPS Mathura Road.** Their selfless work along with that of other members needs no testimony.

Delhi Public School offers courses in Humanities, Commerce and Science. It prepares students for the All India Senior School Certificate Examination, conducted by the Central Board of Secondary Education. Delhi Public School aims to provide the best possible education to its students. It's primary aim is to develop the qualities of integrity, honesty, trust, tolerance and compassion in the student, to promote a spirit of enquiry, to foster a scientific temper within the bonds of humanism, to help the student to become a meaningful part of his environment and to know that courage and industry have their due reward.

The primary wing has a similar system for student appointments and they meet the Vice Principal and Headmistress periodically.

The senior most appointments are the Head Boy and Head Girl under whose guidance the various groups perform their respective duties. Sports occupies a significant position and sports appointments are important in promoting the spirit of sportsmanship. This Prefectorial Body comprising nearly 30 members gets selected through an impartial, democratic process. It is voluntary and the selection procedure involves a detailed round of group discussion and three rounds of interviews supervised by the Academic Coordinators along with the Reps of classes IV and V. In the final round, the shortlisted candidates are interviewed by the Vice Principal and Headmistress.

Once selected, the appointments are guided and supervised by faculty members. The ultimate aim is to give interested students the experience of working and managing a small group with specific objectives, thus shaping and honing leadership qualities that will hold them in good stead in the future.

## **School Song**

We sing together in joy and pride

DPS is the best in the whole world wide

A thousand voices in joyous song

We are proud of our school to which we belong.

Every experience, great or small

Has taught us to answer duty's call

To serve others before self

Is worth more than greed or pelf.

We sing together in joy and pride

DPS is the best in the whole world wide

A thousand voices in joyous song

We are proud of our school to which we belong.

It is here that we learnt to laugh and play.

We were moulded exquisitely every day.

The master potter with a hand so fine

Our school has shown us how to shine.

When we embark on the life we have sought.

We will uphold the truths we have been taught.

Ever loyal to our school and our service to give.

We will make the world a better place to live.

We sing together in joy and pride

DPS is the best in the whole world wide

A thousand voices in joyous song

We are proud of our school to which we belong.

## **Prayers**

-1-

God give me courage to do what is right Courage to speak, courage to fight For honesty, goodness, justice and truth, Courage to do the good in my youth. God give me... Courage to own when I am in the wrong, Courage to face the day with a song. God give me... Courage to guard my thoughts and my tongue, Courage to choose the right when I am wrong. God give me..

-2-

Let my life be a life of dedication, Let my vital breath, ears, eyes, intellect and spirit be dedicated to service; Let my love and understanding, my prosperity and my knowledge be dedicated to service. Let the service be made in a spirit of utter sacrifice. From the unreal lead me to the real. From darkness lead me to light. From death lead me to immortality. (Upanisha)

-3-

Where the mind is without fear and the head is held high Where knowledge is free; Where the world has not been broken up into fragments By narrow domestic walls, Where words come out from the depth of truth Where tireless striving stretches its arms towards perfection, Where the clear stream of reason has not lost its way Into the dreary desert sand of dead habit, Where the mind is led forward by Thee Into ever widening thought and action, Into that heaven of freedom My Father! let my country awake.

**Rabindranath Tagore**

-4-

-5-

Our Father, who art in heaven, hallowed be thy name, Thy Kingdom come, Thy will be done, on earth as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive those that trespass against us. And lead us not into temptation; but deliver us from evil.

-6-

Lord, bless the teachers who give their heart to teachers. Thank you for the special gifts that you have given them and for giving them a spirit of grace and compassion. May they have strength and endure to perform their many tasks and may they know and feel deep gratitude of the those whom they teach.

**Amen**

O God, give me clean hands, clean words and clean thoughts. Help me to stand for the hard right against the easy wrong. Save me from habits that harm; teach me to work as hard, and to play as fair, in Thy sight alone as if all the world saw. Forgive me when I am unkind and help me to forgive those who are unkind to me. Keep me ready to help others at some cost to myself and give me chances to do some good every day.

-9-

God, we thank you for the night, And for the pleasant morning light. For rest and food and loving care, And all that makes the world so fair. Help us to do the things we should, To be to others kind and good. In all we do and all we say, To grow more loving every day.

## **SHOWERS OF BLESSING**

1). There shall be showers of blessings

This is the promise of love;

There shall be seasons refreshing,

Sent from the Savior above.

Chorus :-

Showers of blessing,

Showers of blessing we need;

Mercy-drops round us are falling,

But for the showers we plead.

2) There shall be showers of blessing;

Send them upon us, O Lord!

Grant to us now a refreshing;

Come, and now honor Thy Word.

## **THIS LITTLE GUIDING LIGHT OF MINE**

This little guiding light of mine

I'm going to let it shine

Let it shine all the time,

Let it shine

Hide it under a bushel oh! No

I am going to let it shine

Let it shine all the time

Let it shine

Take this little round the world

I am going to let it shine

Let it shine all the time

Let it shine

Lord, the light is my light too

I am going to let it shine

Let it shine, all the time

Let it shine.

### Translation

Salutations to that noble teacher who is Brahma, Vishnu and Lord Parmeshwara, and who is verily the supreme Brahman.

(The Guru is like lord Brahma, because he creates the character in children. He is like Lord Vishnu because he protects the good qualities in his students. He is like Lord Maheshwara because he destroys the evil mood and bad qualities in them.)
