अज्ञानतिमिरान्धस्य ज्ञानाञ्जनशालाकया ।

चक्षुरुन्मीलितं येन तस्मै श्रीगुरवे नमः ॥

'The darkness of ignorance is removed by the Guru. My salutations to him.' Our ancient Indian civilization has always held the Guru-disciple relationship in the highest regard.

On Teachers' Day, we pay our tributes to Dr. Sarvepalli Radhakrishnan, who was an eminent statesman and educationist.

On this auspicious occasion, I wish that we continue to be guided by our enlightened teachers and build a future of this great nation on the foundation of the perennial knowledge and the ancient wisdom.

## MESSAGE

Teachers are true nation-builders. India's future will be shaped in our class rooms. The Teachers mentor our children, mould their character and prepare them to play their role in the society.

On this auspicious day, we remember one of the greatest teachers of our country, Dr. S. Radhakrishnan. His life and works will inspire many generations to come.

I pay glowing tributes and extend my greetings to the teaching community on the occasion of – Teachers Day and exhort them to continue to contribute towards making this great nation stronger.

  
(UPENDRA KUSHWAHA)
