PRIMARY WING

NEWSLETTER FOR THE MONTH OF APRIL, 2022

Dear Parents,

“For last year’s words belong to last year’s language. And next year’s words, await another voice. To make an end is to make a beginning.”

- T.S. Elliot

Once again, we see encouraging winds of change with the overall COVID situation showing signs of stabilizing and we hope that it continues to improve. With the renewed hope of gradually returning to normalcy, we are ready to welcome our little ones back to the Junior School. The teachers wait with baited breath as we will be resuming offline classes from the 1st of April 2022.

On one hand, it is a matter of glee that children, who were confined to a screen to gain knowledge, will return to physical classrooms after two long years of hiatus, but an issue lingers under the shadow of this joyful transformation. As the COVID-19 pandemic seems to be gradually losing its grip, a plethora of new Covid variants is simmering at a distance. With adequate guidance and proper COVID-19 measures, the old normal might return adeptly and children can once again walk the roads of holistic development. They can once again hone the skills to socialise, adapt, and learn.

We have all been combating challenging situations for several months, and yet what has got us so far is the collective strength of our DPS community. Thank you once again for all your support. Looking forward to another meaningful and fulfilling school year ahead.

Best Wishes

Ranjana Dean

Headmistress

DELHI PUBLIC SCHOOL, MATHURA ROAD
