Newsletter for the month of August, 2022

Dear parents,

As we welcome the monsoon showers, we also gear up for yet another exhilarating month! Independence Day serves as a reminder of the struggle for independence and commemorates the valour of our freedom fighters. With freedom on our minds and faith in our hearts, we come together to celebrate the free spirit of our country. After a plethora of online assemblies, the students are back on stage as Junior School celebrates the Independence Day with a special assembly. The assembly will be presented by students and teachers of class-4. After the roaring success of the English Week activities, we are all excited for the Hindi Week in the month of August. The Hindi Inter-section debate for classes 4 and 5 is worth waiting for, as students argue if adopting western culture is something to be encouraged or refrain from. As they say, sometimes you win, sometimes you learn!
