**Newsletter - August 2023**

Dear Parent,

The month of August commemorates a significant historical milestone for India, as we celebrate independence from the British rule. It is essential for all students to understand this pivotal event as it symbolizes the triumph of unity, courage, and sacrifice in securing our nation's freedom. To commemorate this occasion, students from classes I to V will participate in class assemblies centered around themes of patriotism. They will also engage in craft activities that reflect the spirit of Independence Day, fostering a sense of pride and appreciation for our country's heritage.

In accordance with the CBSE circular 85/2023, the school will be organizing a sensitization campaign on environmental concerns for students, covering topics such as energy conservation, electronic waste hazards, and plastic pollution. Additionally, we'll also be taking up '**CBSE - One Child, One Plant Campaign**' for a tree plantation drive. These initiatives align with the National Education Policy (NEP) 2020, emphasizing the integration of environmental awareness and sustainable development in school curricula.

As part of the **Azadi ka Amrit Mahotsav** celebrations for India's 75 years of Independence, We shall be hosting a variety of activities centered around the theme – **Tribal Empowerment**. We shall be conducting activities like tribal festivals, competitions and cultural programs aligned with the theme.

'**Rendezvous with Dramatis Personae**' is a dynamic English activity that fosters language skills and engages students in interactive role-playing, allowing them to delve into the lives of iconic literary characters. Through role-play, participants from each class will select a book by a prominent author and bring its characters to life, exploring their stories and motivations.

Additionally, the **IV Prabhjot Baruah Memorial Inter-School English Debate 2023** will honor our esteemed alumna and encourage critical thinking and public speaking.

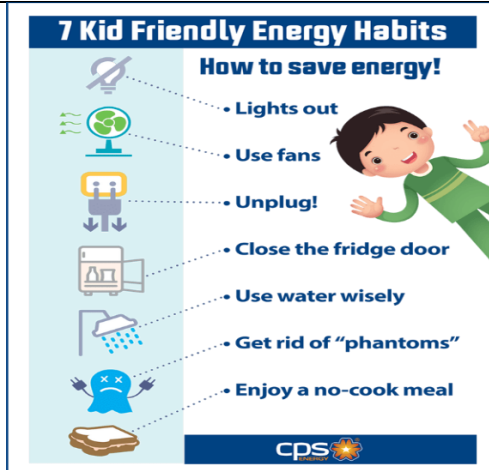

We anticipate a month filled with enriching experiences and treasured memories.

Manisha Varma  
Headmistress

IV

**Plastic Pollution:**

Discussion on the given topic will be held. Students will sing a song released by Bhamla foundation. Students will then write slogans on plastic pollution.

Material Required –

- Activity File
- Colours

Song link –

<https://www.youtube.com/watch?v=1nDbkfCt2t4>

V

**Conservation of Petroleum Products:**

Discussion on the given topic will be held. Information on renewable and non-renewable resources will be given. Studentst will then write ways to save petroleum products –

Material Required –

- Activity File

10 Ways by which you can conserve coal & petroleum are:

1. Use public transport or carpools to travel.
2. Use air conditioners or heaters only when required.
3. Use alternative sources of energy like solar energy.
4. Consider turning off the car's engine to save fuel at traffic signals.

		<p>5. Use energy-saving CFL bulbs over regular incandescent bulbs.</p> <p>6. Prefer the stair over the lift especially when descending.</p> <p>7. Use pressure cookers for cooking purposes to save LPG or kerosene.</p> <p>8. Switch off the lights, fans, television, and other electrical appliances when not in use.</p> <p>9. The use of biogas as domestic fuel should be encouraged.</p> <p>10. Try to avoid overexploitation of any type of nonrenewable resource this will consequently conserve the coal &amp; petroleum.</p>		
28.8.23-1.9.23	I to V	<p><b>RAKSHA BANDHAN</b></p> <p><b>Greeting Card Making -</b></p>  <p>Raksha Bandhan is celebrated in India to cherish the sweet bond between brothers and sisters. Students will make a card on the same and express their feelings. They will be asked to exchange cards with their sibling.</p>	<p>Material Required –</p> <ol style="list-style-type: none"> <li>Colourful A- 4 sheet folded into half.</li> <li>Decorative materials.</li> <li>Colours</li> <li>Glue</li> </ol>	<p>Traditionally, Raksha Bandhan is meant to make the bond of love, affection, and trust between brothers and sisters stronger.</p>
