

DELHI PUBLIC SCHOOL, MATHURA ROAD

JUNIOR SCHOOL

CLASSES (I-V)

NEWSLETTER - May'2019

Dear Parents,

Imagination does not become great until human beings, given the courage and the strength, use it to create.

-Maria Montessori

Every young person deserves a complete and competitive education that includes the arts! With an aim to take education towards 'learning' and beyond 'information compartmentalised in textbooks', from coming academic year onwards our school students will experience 'art-integrated learning'- A minimum of two periods per week are devoted to 'Art Education' and we have included all four main forms of art which are Music, Dance, Visual Arts, and Theatre to promote art integrated learning among our students.

We have a gamut of activities, lessons, research work planned for our children who have been interwoven into the curriculum- to provide them with opportunities to demonstrate their skills through authentic performance and learn the five critical skills - Creativity, Collaboration, Confidence, Cultural Awareness & Empathy and Critical Thinking.

The Holiday Home work has been designed in a way that can enhance these skills in them. Useful links have been provided on our school website for referral, they can read or play games on it too!

I wish you all a very happy and relaxing Summer Vacations!!

Ranjana Dean

Headmistress
