PRIMARY WING

NEWSLETTER FOR THE MONTH OF JULY 2024

Dear Parents

The month of July is special as students return to school rejuvenated after the summer break. The vibrant month celebrates important occasions that remind us of care, sustainability, and friendship.

Activities such as research on various specialized medical fields and creating thank you cards will be held to commemorate National Doctor's Day. On Paper Bag Day, the focus will be on environmental sustainability. Students will make their own paper bags and learn about the environmental benefits of using them instead of plastic. Activities to encourage students to appreciate and nurture their friendships will be organized to celebrate Friendship Day.

As we progress through the year, it is crucial to uphold the significance of these values and the wisdom they convey.

Wishing you all a wonderful and enriching month ahead!

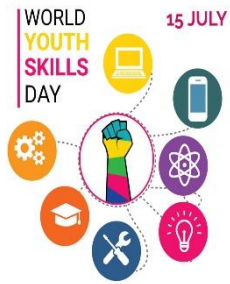

Warm Regards

Manisha Varma

Headmistress

DELHI PUBLIC SCHOOL, MATHURA ROAD
