**NEWSLETTER FOR THE MONTH OF MARCH 2026**

**Dear Parents**

As we near the conclusion of the academic year, we look back with pride at the steady growth and accomplishments of our students. Their dedication across academic and co-scholastic areas has been truly admirable. From sports and quizzes to exhibitions, debates, dance, and music, they have enthusiastically explored their interests and displayed their talents with confidence.

On the occasion of World Wildlife Day, our Class I and II students will participate in a creative thumb painting activity inspired by wildlife. The month is filled with colour and creativity as our students joyfully celebrate Holi.

As the final examinations for Classes III, IV, and V approach, March is also a time for focused preparation and determined effort.

We remain committed to fostering a nurturing and enriching learning environment. Your continued support in your child's educational journey is sincerely valued and appreciated.

**Warm wishes**
