PRIMARY WING
NEWSLETTER FOR THE MONTH OF SEPTEMBER 2025**

Dear Parents

The month of September is filled with exciting opportunities for our students to learn, create, and express themselves. On Teacher's Day, students will take part in the activity "*If I Were a Teacher...*" and also prepare handmade cards to express gratitude to their teachers. Hindi Diwas will be celebrated as part of *SwachhtaPakhwada*, where students, as Swachhta Ambassadors, will spread awareness through slogan writing in Hindi.

International Democracy Day will be observed with the drafting of a Class Constitution, helping children understand the values of equality, rights, and responsibilities. Towards the end of the month, on World Environmental Health Day, students will engage in activities that highlight the importance of hygiene and the close connection between health and the environment, expressing their ideas through art and movement.

With the forthcoming midterm exams for classes III, IV, and V, September is also the time to stay focused, prepare diligently and excel.

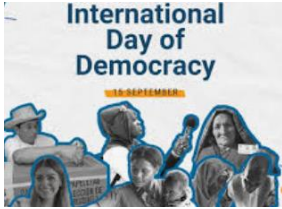

Warm regards,

**Ram Singh
