### Primary Wing

## Newsletter for the Month of October'22

*Dear Parents,*

*As the examination season finally comes to an end, we find ourselves surrounded by festivities. This is the month of light, happiness and spirituality. May this festive season bring lots of health, joy and prosperity for your family. We at DPS Mathura Road are also ready to celebrate with a wide range of activities this month. We begin with the EVS Week where students will learn to tend to their surrounding and make the most of it. Being environmentally conscious is the need of the hour and therefore, the EVS Week activities will emphasize on sustainable development and restoring our eco-system. This will be followed by the Inter-School Hindi Debate where participating schools will indulge in a war of words to claim the prize. Frank Sonnenberg rightly said, "You don't win a debate by suppressing discussion; you win it with a better argument." As the second term begins, it is time to give our students a pat on the back for their outstanding efforts. It is the time for them to learn from their performance in the first term and set course for the rest of the year. Keep up the good work!*

*Ranjana Dean  
Headmistress*

## ACTIVITIES FOR THE MONTH OF OCTOBER 2022
