## Newsletter - February

1<sup>st</sup> February 2023

Dear parent,

The month of February marks the season of spring, with the blanket of cold lifting up to let the warm rays of the sun shine through. There is a fusion of colour with flowers blooming and butterflies flying all around. It fills our heart with pride seeing the little ones blossoming into young, confident achievers with each passing day.

The 'Story Symphony' was the highlight of the month gone by, with the little ones brimming with confidence and excitement as they narrated their favourite story. The Republic Day assembly infused the spirit of patriotism and respect for our nation with an enthralling presentation honouring Dr. B.R. Ambedkar, the father of the Indian Constitution, including a cultural performance and marching contingent of the armed forces.

The children are gearing up for the annual **Sports Day**- where they will get an opportunity to showcase their confidence, poise and sporting skills. The children of each class will be putting up a colourful and entertaining show to leave behind fond memories for everyone to cherish.

### ASSEMBLIES AND ACTIVITIES FOR THE MONTH

#### 25<sup>th</sup> February 2023: Sports Day

Sports activities help children develop physical skills, make new friends, have fun, learn to be a team member, learn about fair play and improve self-esteem. To highlight all these positive attributes a 'Sports Day' will be held in the school where the tiny tots will put up a colourful presentation highlighting the importance of sports in our life through different activities to keep us healthy and fit. The program will culminate in a graduation ceremony for our Pre-Primary children who are ready to step in and face the new world of the Junior school.
