News Letter - January

10th January, 2019

Dear Parent,

We welcome you back in the new year with the promise of yet another bouquet of occasions and celebrations. We extend hands and open our hearts to you and take you through a fun filled journey of a thousand happy miles, beginning with a single step - '**Celebrating 2019**'. Our resolve is strong to live up to our New Year resolutions and start the year on a positive note - '**I can and I must**'. A very **Happy New Year** to you all. May this year bring peace, prosperity and happiness to everyone.

The winter break has helped parents ensure that the little ones stay safe and well protected from the biting chill of cold winter days. We are sure that the holidays have been a joyous experience for both you and your ward, giving you an opportunity to spend quality time with your child, which is essential for his/ her all round development.

The last month abounded with festivity and fun and there was a frenzy of activity as the block buzzed with excitement and intent. The children made Christmas decorations and prepared for Santa's visit to school. Christmas carols filled the corridors and the joy seen on every child's face on receiving a gift from Santa was indeed heart-warming.

Our Annual Day was celebrated with great zest and vibrancy. The theme for the event 'Enigmatic Elements - A Fine Balance' was portrayed through a beautiful montage of cultural performances. The medley of these performances provided an opportunity to all young artists to showcase their talent and learn some invaluable lessons. The show was a huge success and was appreciated by one and all. The confidence and élan with which the children performed left everyone spellbound and made us all very proud.

Activities and assemblies for the month

Friday, 18th January, 2019: 'The Master News Reader'

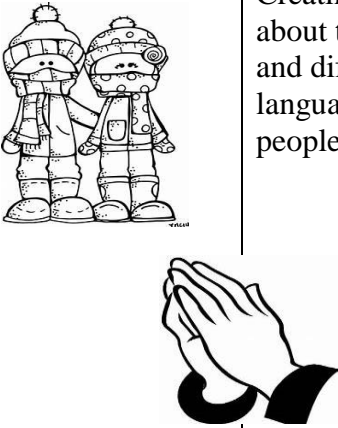

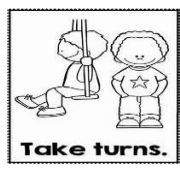

The children will get a cut-out of an interesting article from the newspaper and speak about it in class. This will help increase the general awareness of the children. **(Please note that this activity is for class Pre Primary children only)**

Friday, 25th January, 2019: 'Republic Day Assembly' The tiny tots start the new year with a big bang by adorning the tri colour this Republic Day and making their patriotic feelings come alive. The children of class Pre Primary E will present a special assembly to celebrate the occasion. The children have to learn and speak a few lines about any of the following topics - our national symbols/ sports/ fruits/ food etc. and can use a prop for the same.

Friday, 1st February, 2019: The Etiquette Week will culminate with the children of Pre School E presenting an assembly showcasing good manners and etiquettes.
