PRE PRIMARY WING

Newsletter - January

9th January, 2020

Dear parent

Wishing everyone a wonderful and happy 2020, we welcome the little ones back to school after a relaxing winter break where the children enjoyed the warmth and comfort of their homes. The chill of the winter air makes it imperative to keep the little ones well protected and snug with adequate warm clothing.

An eventful 2019 came to an end with many memories to cherish. The month of December was a complete roller coaster ride for the young ones as they celebrated their favourite festival – Christmas, with great enthusiasm and joy. The classrooms and Christmas tree were decorated by loving little hands and there was great anticipation and excitement as they received their gift from ‘Santa Claus.’

The festive mood continues into the New Year as colourful decorations are seen around the market places and shopping malls – fascinating the little ones as they catch the magic around them.

The tiny tots start the new year with a big bang by adorning the tri colour this Republic Day and making their patriotic feelings come alive. They will be apprised about our Constitution which is the longest in the world. To help them understand the significance, the little ones will be drafting their own ‘Rule Book’ in the class.

The New Year brings with it new dreams, new resolutions and new beginnings. Developing good values and discipline along with social and moral skills will be our main focus for the coming months. Winter has set in full swing and it is a good time for the children to be out playing in the sun, developing their physical strength and motor abilities, thus a lot of stress will be laid on outdoor exercise drill, yoga and games.

ASSEMBLIES

Friday 24th January, 2020–‘Republic Day Assembly.’

The little ones of Pre School - G will showcase the imp try through a special assembly. Do take time out to watch the Republic Day parade with your child – giving him/ her an insight into all the achievements of our great nation.

Happy Republic Day

Friday, 31st January, 2020- Assembly on ‘National Integration’

To celebrate the unity in our rich cultural diversity the tiny tots of Pre Primary H will put up an assembly.
