

1<sup>st</sup> May, 2022

Dear parent,

The month of April was dedicated to make the children of the Pre-Primary Wing comfortable and well settled in their new environment. Making new friends, getting to know their teachers, enjoying the daily curriculum and learning while playing surely makes school special for them. Our main aim is to offer a plethora of opportunities to the little ones – helping them explore their personal skills, talents and develop their curiosity while they are involved in multifarious group and individual activities, learning as they play. The main aim of the activities revolving around 'Earth Day' were to sensitize the children to their responsibility towards the Earth, learning to do their 'bit' to preserve and look after 'Mother Earth'.

Let us take all necessary steps to ensure the safety of our little ones. Wearing a mask, washing hands regularly and maintaining social distancing should be followed at all times. Let's keep reinforcing these little yet important points and work towards safety and good health for all.

**Roopa Arora**  
Sr. Mistress

**Ranjana Dean**  
Headmistress

## ACTIVITIES OF THE MONTH:

### Etiquette Week: 12<sup>th</sup> and 13<sup>th</sup> May 2022

#### 12<sup>th</sup> May: Knowing our Golden Words

The early years form the foundation for later life; hence the values and etiquettes children learn now will stay with them forever. Etiquette week has been planned to get our little ones acquainted with small, but significant values to hold and cherish. By practicing good manners children learn to value others and consider their feelings. The children will be taught the golden words through role play and a worksheet.

#### 13<sup>th</sup> May: Learning Table Manners:

While we teach our children about healthy food, it is equally important to teach them how to eat. Since, the key to teaching table manners to young children is repetition and modelling, the teachers will demonstrate the correct way to set the table. The use of a mat, cutlery and napkin shall also be explained. Kindly send fruit in a box, mat, apron, napkin and wooden fork with the child.

#### 20<sup>th</sup> May: PTM

The first PTM of the session will be held on 20<sup>th</sup> May providing an opportunity to the parents and teachers to interact with each other.

**Please Note:** Some fun learning activities have been planned for our little ones for the Summer Vacation which will be shared through the school ERP and will be uploaded on Teams as well.

Have a great
