1<sup>st</sup> October 2020

Dear Parents,

Children teach us to love unconditionally, to enjoy life without a worry. They are like flowers that emit fragrance everywhere, radiating happiness and drawing all good things towards them. The tiny tots are proactively positive and consciously extend their love to one and all. The little ones help us become more appreciative of the world outside as we look at it from their perspective.

Performing arts not only expand a child's ability to interact with the world around him/her but also provide a new set of skills for self-expression and communication. Keeping this in mind we will celebrate 'Creativity Week' in the month of October. '**Corona Warriors – Angels Without Wings**', is our theme for the Creativity Week as we would not like to miss the opportunity of paying a heartfelt tribute to these bravehearts who rose to angelic heights to deliver during this global pandemic. It's a pleasure to see the enthusiasm with which all the children have come aboard the online platform and have adapted to this new line of communication.

We shall also celebrate Gandhi Jayanti and Dusshera this month. The festival season imparts many valuable lessons to all of us and it is essential that we learn as much as possible from them. Let us resolve to give and not always take, to do what is right and not what is easy, to dissolve negativity and violence and to make 'Ahimsa' our ultimate dharma with the motive of universal welfare.

**ACTIVITIES OF THE MONTH** on MS Teams:

**1<sup>st</sup> October (Thursday) 2020: Gandhi Jayanti**

Gandhi Jayanti is celebrated in India to mark the birth anniversary of Mahatma Gandhi on 2<sup>nd</sup> October every year. To celebrate the birth anniversary of the father of the nation, a small assembly will be conducted online during the homeroom period along with the 'Charkha making activity.'

**7<sup>th</sup> October to 9<sup>th</sup> October 2020: Creativity week**

The selfless service of the corona warriors during and even after the nationwide lock down has left each one of us indebted to them. To help our little ones realise this and motivate them towards such courageous acts they can dress up as one of the warriors' and talk about how he/she contributed to help their fellow countrymen during this life changing pandemic.

**22<sup>nd</sup> October (Thursday) 2020: Dussehra Activity**

Dussehra celebrates the victory of good over evil. The children will be told the story and a 'Ravana' making activity will be done in the homeroom period to acquaint the children with the different characters of the Ramayana, the significance and the importance of this festival.
