Dear Parent

October 1, 2024

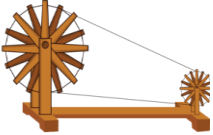

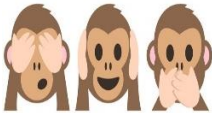

Children teach us to love unconditionally and embrace life joyfully. Like flowers, they spread happiness and positivity, drawing goodness towards them. Their pure perspective helps us appreciate the world more deeply.

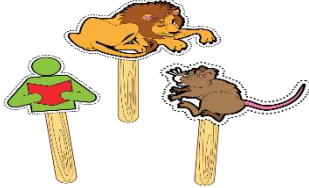

As we enter another month filled with learning, fun, and celebration, the upcoming sessions will be packed with activities, culminating in an exhibition showcasing their creativity. We will also celebrate Gandhi Jayanti, Diwali and Dusshera, festivals that offer valuable lessons.

Let us commit to giving, doing what's right, and embracing non-violence for the welfare of all. Through various activities, the children will explore the significance of these festivals.
