Newsletter

Dear Parent,

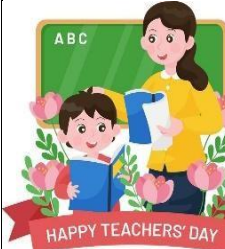

September 1, 2025

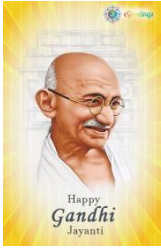

As we step into a new month, we take a moment to reflect on the joyful celebrations of August that enriched our religious, cultural, and patriotic spirit. These meaningful experiences have left a lasting impression on our young learners and the school community alike.

With renewed energy, the Pre-Primary Wing looks forward to celebrating Teachers' Day, a special occasion observed in honour of Dr. Sarvepalli Radhakrishnan, India's second President and an exemplary educator. This day serves as a heartfelt reminder of the invaluable role our teachers play in nurturing and shaping young minds with patience, care, and unwavering dedication.

The PTM will be held on September 20, 2025 (Saturday).
