

Dear Parent

March 1, 2026

The students of the Pre-Primary Wing presented a spectacular show on Sports Day, making us all immensely proud. Their enthusiasm and dedication throughout the preparations culminated in a truly memorable event, giving a sense of accomplishment and joy to children, parents and teachers.

Our children are now more self-reliant and independent, ready to step into the next class with confidence and curiosity. As they move forward, new challenges and opportunities await them, paving the way for broader horizons and continued growth.

### ACTIVITY
