Dear Parent

The tiny tots who came into our fold have grown by leaps and it fills our hearts with pride to see their achievements and positive transformation. The numerous activities they participated in and their fun learning experiences have all helped them gain confidence and become independent.

The students benefit the most when parents and teachers work as a team, coordinating to promote the social, emotional, and intellectual development of children. As this session ends, I would like to extend a heartfelt thanks and appreciation to you, parents for your unflinching support to us at all times.

Assembly for the month

5th March 2024 (Tuesday) Graduation Assembly:

From the tiny fingers that held our hand, to walking confidently; from learning letters in Pre-School to writing sentences in Pre-Primary, each child's journey has been beautiful. Having blossomed into independent and confident beings these little ones are now ready to move out of the cocooned environment of the Pre-Primary Wing. To bid farewell to the outgoing batch of Pre-Primary, the tiny tots of Pre-School A and Pre-School C will present a graduation assembly wishing them success in their coming years.

Please Note:

The last working day for the children is **7th March 2024**. The school will re-open on **1st April 2024** for the new session.
