1<sup>st</sup> October 2023

Dear parent

Do you remember your favourite toy as a child that sparked your imagination and made you feel happy? We invite you to relive those precious moments, as we present 'Toys' as the theme of our annual creativity exhibition to be held this month. This exhibition showcases the amazing work of our little artists, who had an exciting and enjoyable time creating different kinds of toys and learning new skills.

**ACTIVITY FOR THE MONTH**

Date/Day	Activity	Activity description	Material required	Learning outcome
16 <sup>th</sup> October 2023 (Monday)	Dussehra Celebration	Dussehra is synonymous with many legends and stories. The teachers will enthrall the little ones with a story and 'Ravana' making craft activity.	A thermocol glass and 2 big sized wiggly eyes	The children will learn about the life of Lord Rama through interesting stories that led to celebrating this festival. They will learn about the value of goodness and the victory of good over evil. The activity will help in developing their creativity and imagination.
