

NOVEMBER

Delhi Public School, Mathura Road,
Pre-Primary Wing
Newsletter November

1st November 2022.

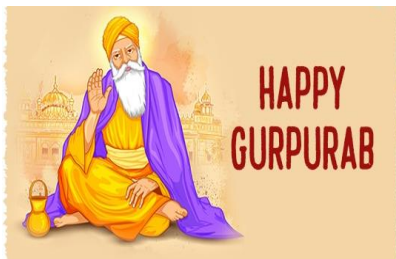

Dear Parent,

As we step into the month of November the mornings are getting colder and the children need a little more of your attention before they set off for school. A healthy breakfast and a warm hug will keep them comfortable and snug through the day, giving them energy to tackle activities at school with an alert and positive mind.

The festive season which was the highlight of the last month, continues as the crescendo of activities, fun, frolic and celebrations heightens through the month of November. Gurupurab and Children's Day will be celebrated with assemblies and activities where the spirit of community sharing and caring comes into focus, which we should strive to consciously ingrain in our little ones so they grow up to be sensitive human beings. The assemblies and activities have been interwoven into the curriculum to enhance class room learning. The highlight of the month will be the exhibition to be put up, displaying the creative work of our little ones.

Assemblies and activities for the month

7th November 2022 - Gurupurab Assembly

The children will get an insight into the sanctity of this great festival as it marks the birthday of Guru Nanak Dev Ji, remembering this revered Sikh guru and his teachings of love, compassion and brotherhood. **Pre School C** will be presenting an assembly to showcase events and teachings from the life of Guru Nanak Dev Ji.

14th November 2022- Children's Day

To mark the birth anniversary of Pandit Jawahar Lal Nehru, our first Prime Minister, an assembly will be presented by the children of **Pre School D**, celebrating the joys of childhood.

23rd November 2022 – Creativity Week Exhibition

Creativity opens our mind and broadens our perspective; hence it is important to involve children in various creative activities that help them to express themselves and brings out the best in them. The little ones of the Pre-Primary Wing have been engaged in various fun filled, art and craft activities which they will proudly present in the form of an exhibition. The confidence and joy they will feel when they see the different artefacts they have made being displayed cannot be expressed in words.

29th and 30th November 2022- Adventure Camp

For the last two years our little ones have missed out on a lot of physical and outdoor activities. To provide them with an opportunity to engage in various outdoor activities an **adventure camp** has been organized for the children that will enhance their physical abilities and build team spirit. All the activities will be carried out under guided supervision.
