1st October 2022

Dear Parent,

It has been a wonderful month of excitement and learning for the little ones where language and reading were taught through creative activities and play during 'Ninja Newcomers- An Alphabet Adventure'. We constantly aim towards the holistic development of our children to make them confident, happy and aware. The festive season that began in August continues into the month of October. We ended the month of September with a special assembly to celebrate Gandhi Jayanti and the children continued to amaze us with their talent and confidence.

It gives us immense pleasure to see the children participate with gusto and enthusiasm in all syllabus related and co-curricular activities which makes teaching learning more meaningful and appropriate. To broaden the knowledge base of our little ones, enhance creativity and encourage ingenuity, a special event 'Knowyopedia' has been planned. We hope our tiny tots create learnings that stay with them forever.

Important dates and activities

Dussehra Celebrations

Dussehra signifies the victory of good over evil. To add to the excitement of the festival the little ones will create a 'Ravana' puppet in the class. Kindly send two paper cups, red acrylic paint and two medium sized googly eyes for the puppet.

17th October and 18th October 2022- Knowyopedia

In order to facilitate new learning, divergent thinking and to expand the existing knowledge of our little ones, they are acquainted with something new and exciting every year through the 'Knowyopedia' activities. This year too, the event will help foster the children's creativity and curiosity. Children will conduct small experiments on their own, observe and draw conclusions, learning through hands-on activities. The material required for the activities will be shared soon.

20th October 2022 (Thursday): Diwali Assembly

Diwali is a festival which signifies hope and joyous beginnings. The story of Ramayana enthalls young and adults alike. The children of Pre Primary B will recreate the Ramayana on stage and mesmerize everyone with their performance.

Diwali Activity: Diwali is all about lights, decorations, fun and frolic. The children of Pre Primary Wing will decorate their classrooms and their building. They will decorate '*diyas*' in the class and make a beautiful flower Rangoli too. Kindly send one *diya*, decorative material like mirrors, sequins etc. for diya decoration. For '*rangoli*' making, please send loose flower petals.
