1st February, 2020

Dear parent,

The month of February heralds the season of spring, with the blanket of cold lifting up to let the warm rays of the sun shine through. There's a fusion of colours all around with flowers blooming and fresh grass raising its head. The little ones too are blossoming into young, confident achievers with each passing day and to see them so, fills our hearts with pride.

The Republic Day assembly was the highlight of the last month, infusing the spirit of patriotism and respect for our nation in the little ones. The enthralling presentation consisted of enactment by the tiny tots representing eminent personalities of our country, a cultural performance and a marching contingent of the armed forces.

February also brings along the eagerly awaited Grandparents Day- a day specially reserved for the grandparents where our little ones get an opportunity to strengthen their bond and to express their love for them '**Be the Change**' is the presentation for this year's Grandparents day where the little ones will shed some light on a much discussed environmental problem i.e. 'Pollution'. This project would keep the children occupied as each class would put their heart and soul into practice to put up a colourful and entertaining show leaving behind fond memories for the grandparents to cherish.

Activities for the month

Wednesday, 19th February- 'Grandparents Day'-

A special day when the grandparents are invited to spend time in school in the company of their grandchildren, getting familiar with this beautiful aspect of their lives. The tiny tots are busy designing cards to invite their grandparents. A carnival with a musical extravaganza and food stalls are being planned for the day. Details about the programme and costumes will be sent to you shortly.

'Picnic'- All work and no play makes jack a dull boy. Since we do not want that, a picnic will be organized to make the last few weeks of this class memorable and fun, where the children will enjoy soaking in the winter sun. They will have a memorable time playing organized games and sharing/ munching delicious picnic food. The children of Pre School will go on 25th February (Tuesday) and Pre Primary children will go on 26th February (Wednesday). Kindly send the children in proper school uniform with I-Card. Children should carry a small picnic bag with water bottle.
