Newsletter December

1st December 2022

Dear parent,

The chill of the December air makes our tiny tots bundle up in woollen jackets and sweaters to keep them warm. Children feel recharged with energy and love being outdoors in the warmth of the sun.

The month gone by was full of excitement. Children's Day was celebrated with a lot of fanfare leaving a long-lasting impression on their little minds. The teachers of the Pre-Primary Wing enacted a story on this special occasion for the children. The highlight of the month was the exhibition showcasing the creative work of the children. The children were thrilled to see their work displayed and beaming with confidence.

The month also brings with it the festival of Christmas and the spirit of caring and sharing. Our little hands will be busy making Christmas decorations and knick knacks. Their eagerness to meet Santa Claus and receive a gift from him brings cheer and warmth to our hearts.
