1st January 2024

Dear Parent

We wish you all a joyous New Year! As we step into this new year, we carry with us gratitude for the past and hope for the future. We stay committed in providing an environment that nurtures our little ones to grow, explore, share, and express themselves.

Winter has set in all its glory and it is a good time for the children to be out playing in the sun, developing their physical strength and motor abilities, through outdoor activities, thus a lot of stress will be laid on outdoor exercise, drill, yoga, and games.

ASSEMBLIES AND ACTIVITIES FOR THE MONTH

Date/Day	Activity	Activity description	Material required	Learning outcome
23 rd January, 2024 (Tuesday)	Tri-colour badge 	Children will make a tri-colour badge using their own creativity for Republic Day.	Will be provided by the teachers	Children will learn about the significance of the tri-colour in our flag. This will help instill patriotic feelings in the little ones.
25 th January, 2024 (Thursday)	Tri-colour in my tiffin	Children will bring tri-colour food in their tiffin.		It will help strengthen patriotic feelings and the feeling of oneness among the children.

19TH January 2024 (Friday) Knowyopedia: For our children to be global citizens, they need to be made aware of the world around them- from everyday phenomena to larger issues. They need to be curious and eager to explore and seek answers. 'Knowyopedia' helps to kindle this love for 'knowing' and learning. As part of this activity, children have to explore any interesting fact/ unknown fact about a topic that excites them and present it in the class using props/real-life objects or experiments. The knowledge bank of each child will increase manyfold as they learn something new through the activity.

24th January 2024 (Wednesday) Republic Day Assembly: The tiny tots of **Pre-School D** will present a special assembly where they will share the significance of this festival, highlighting the importance of our constitution which is also the longest in the world.

31st January 2024 (Wednesday) Assembly on Community Helpers: It is important to inculcate the right values in our little ones. Through this assembly, the tiny tots of **Pre-School H** will help sensitize everyone about the role of different community workers in our society.
