Our Motto

SERVICE BEFORE SELF

This signifies the importance of serving others willingly, graciously and selflessly. We should not expect anything in return for our service as there is greater pleasure in giving than in receiving. By serving others we serve God.

PLEDGE

India is our country. All Indians are our brothers and sisters.

We love our country and we are proud of its rich and varied heritage. We shall always strive to be worthy of it.

We shall respect our parents, teachers and all elders and treat everyone with courtesy.

To our country and our people, we pledge our devotion. In their well being and prosperity alone, lies our happiness.

From the Desk of the Principal

“Education is not preparation for life. Education is life itself.” John Dewey

Dear Parents

It is with immense pleasure that I extend a warm welcome to you all as we embark upon the new academic session 2025-2026, with the promise of success and the pursuit of fresh opportunities for growth.

At Delhi Public School, our mission is to prepare students for success in all aspects of life. We create a supportive and respectful environment, fostering a diverse community of learners who aspire to be global citizens.

Our motto, 'Service Before Self,' emphasizes the importance of prioritizing the well-being and safety of others. This principle guides our students to be compassionate and honourable, enriching their lives and those around them.

Our students excel academically and socially, upholding our values of ethical conduct and cultural respect. From early on, we instill in them the importance of contributing to a multicultural society. We continually update our curriculum to provide the best education, adapting to changing times. Beyond academics, we offer a variety of extracurricular activities to help students apply classroom lessons in real-world contexts.

Our dedicated teachers focus on developing essential 21st-century skills, including higher-order thinking, communication, and collaboration. We also emphasize life skills and moral values to prepare students for the world beyond the classroom.

Parents are vital partners in education. We value your collaboration in helping students reach their full potential and achieve new milestones. Together, we can shape our children's bright futures as responsible global citizens.

Best wishes

A Brief History of the School

Delhi Public School, Mathura Road established in 1949, functioned from a few tents pitched on the ground cleared from the onslaught of brambles. Today, spread over an area of about 15 acres of lush, green lawns, in the heart of the city, Delhi Public School is a co-educational day-cum-boarding school. The foundation stone of the school building was laid in 1956 by Dr. S. Radhakrishnan, the then Vice President of India. The impressive school building today comprises workshops, laboratories, computer centers, audio-visual lecture rooms, libraries, swimming pools, squash courts, clinic, a book shop, the hostel and school canteen.

The school functions under a registered society with eminent educationists, social workers and medical specialists. **Ms. Vrinda Sarup is the Chairperson, Managing Committee, DPS Mathura Road; Shri B.K. Chaturvedi is the Chairman, The Delhi Public School Society and Member-Managing Committee, DPS Mathura Road; and Shri V.K. Shunglu is the Vice Chairman, The Delhi Public School Society and Vice Chairman Managing Committee, DPS Mathura Road.** Their selfless work along with that of other members needs no testimony.

Delhi Public School offers courses in Humanities, Commerce and Science. It prepares students for the All India Senior School Certificate Examination, conducted by the Central Board of Secondary Education.

Keeping in view the ideals of democracy and our ancient culture, Delhi Public School strives to provide a system of education most suited to the needs of our society today. Stress on diverse methods of teaching for different categories of students, opportunities for shouldering responsibilities in school life, constant participation in games and sports, and a wide range of cultural and co-curricular activities lend meaning to our school life. Thus, the end product is the harmonious, all round developed personality of our students.

It is the aim of Delhi Public School to provide the best possible education to its students. Our primary aim is to develop in the student qualities of integrity, honesty, trust, tolerance and compassion, to promote a spirit of enquiry, to foster a scientific temper within the bonds of humanism, to help the student to become a meaningful part of his environment and to know that courage and industry have their due reward.

Towards this end, the school endeavours to provide a large and dedicated teaching staff with a wide range of skills and interests, a varied and wide choice of activities- academic, aesthetic and athletic, an environment enriched with the excitement of discovery, challenge and competitiveness and discipline based on the belief that responsibility comes before freedom.

Student Prefectorial Body

Social leadership and responsibility are best learnt through active participation. A number of student appointments, selected after a careful scrutiny of their school records, are entrusted with various responsibilities and share the task of maintaining decorum in the school. Senior student appointments meet the Principal and Vice Principal periodically. The junior wing has a similar system of student appointments.

The various Clubs/ Councils have a selected group of students appointed from Class XII since they are Board examinees. The remaining Appointments are chosen from Class XI. The senior most appointments are the Head Boy and Head Girl under whose guidance the various groups perform their respective duties. Sports occupy a significant position and the sports appointments are important in promoting the spirit of sportsmanship.

This Prefectorial Body comprising nearly 75 members gets selected through an impartial, democratic process. It is voluntary and the selection procedure involves a detailed round of group discussion, 3 interview rounds and even a psychoanalysis test supervised by the Reps of Class XI and XII, the Club In-charge and Heads of Departments. In the final round the short listed candidates are interviewed by the Principal.

Once selected, the appointments are guided and supervised by faculty members appointed to their specific Club/Council to organise, and manage the year-long activities of the concerned Club/Council. The ultimate aim is to give interested students the experience of working and managing a small group with specific objectives, thus shaping and honing leadership qualities which will hold them in good stead in the future.

The PTA has opened a Benevolent Fund to help and educate children who unfortunately lose their earning parent while they are still studying in the school. This gesture has been greatly appreciated by young widows who would otherwise find it difficult to educate their children at DPS. Women, who unfortunately fall victim to these circumstances, should apply every year to the Principal and Secretary, PTA for exemption of tuition fee for their children.

Students studying in schools affiliated to CBSE and desirous of availing the exemptions / concessions should approach the concerned regional office of CBSE through the Head of their Institution preferably while in Class IX and / or XI. The request should be supported by the relevant medical certificate and recommendation from the Head of the School / Institution. Only those students would be considered for grant of exemption / concession in whose respect relevant category has been entered during registration in Class IX and / or XI.

Exam Preparation

- You know your strengths and weaknesses the best – Plan your entire schedule around your strong and weak points. Give more time to the topics you're less thorough with.
- In the board exams, you'll see a pattern of questions asked repeatedly. Be thorough with those and prepare according to the paper style.
- Sleep well a night before the exam and have a healthy breakfast the next morning.
- The candidates must visit the examination centre at least one day prior to the date of examination so that they can reach before 10:00 A.M. on the days of examination.
- The candidates should leave for the examination centre keeping in view weather conditions, traffic conditions, etc.
- Have faith in your hard work and your preparations.

During the Exam

- All the candidates need to appear for the exam in school uniform.
- Students must compulsorily carry their school IDs to the Examination Centre without which entry into the centre is not permitted.
- Students must carry their stationery. (Blue/Royal Blue Ink/Ball Point/Gel Pen (3-4), pencil, eraser, sharpener, ruler, etc.) in a transparent stationery pouch.
- Students may carry a transparent writing board (board on which the answer sheet is attached to write the exam).
- Barred Items: Textual material (printed or written), bits of papers, pen drives, calculator, log table, electronic pen/scanner, etc. are not allowed to be carried into the examination hall. Any communication device – such as mobile phone, bluetooth, earphones, microphone, pager, health band, camera, analog or digital watches, etc. are not allowed.
- Students must not write / put their name / signature or any other sign or mark which may disclose their identity to the examiner, anywhere in the answer book.

- Presentation of the paper is important:

- ▶ Handwriting must be neat and legible.
- ▶ Proper spacing must be maintained between the words and lines so that it's easy for the examiner to comprehend the answers.
- ▶ Diagrams should be drawn only with a pencil and the labelling must be done with pencil only.
- ▶ Effort should be made to write the answers in points. Bunching all sentences together must be avoided. At least two lines must be left before and after each question so that in case of wanting to add content later, there's enough space left.

- **Time Management is essential:**

- ▶ Make good use of the 15 minutes reading time.
- ▶ Read the question paper carefully so that you can organise your thoughts and manage your time well through the exam.
- ▶ While writing the paper, adhere to the word limit and time limit to be allocated for attempting questions of different weightage.
- ▶ Do not spend more time on a section that carries relatively less marks.
- ▶ In numerical questions, copy the data correctly from the question paper, or from one step of the problem to the next. Also, do convert the data into appropriate units.
- ▶ Do not waste time on questions you are not sure of or those which are time consuming.
- ▶ Come back to answer them only when you are through with all that you know.
- ▶ Don't get distracted by any external factors.
- ▶ Keep some time for revision and check whether you have answered all the questions you know.
- ▶ Diagrams, where required, should be neat and labelled.

Scholarships & Other Exams

- **Fulbright, Chevening, etc.:** These scholarship exams have varying application and exam dates, depending on the scholarship program. Most deadlines are in the fall of the year prior to study.
- **Website: Check specific scholarship websites for exact dates.**

These exams are key steps for students planning to study abroad. It's recommended to start preparations early to ensure ample time for studying, registration, and receiving results before application deadlines. Always double-check program details and admission deadlines of individual universities.

Documents are required for Studying Abroad

1. **Letter of recommendation (LOR) –** Students require Letter of recommendation (LOR) while applying to different universities. The LOR should be from a faculty member of your education institute or the school counsellor in general. Generally, all international universities look for two LORs from Subject teachers and one from the school counsellor which talks about overall co-curricular and academic achievements of the student applicant. All LORs must be verified by concerned teachers/counsellor and forwarded at pavp@dpsmathuraroad.org for final printing on the school letterhead. No changes will be made once the LOR has been printed on the school letterhead.
2. **Statement of Purpose (SOP) –** Apart from the LOR, students also need to submit a Statement of Purpose highlighting their achievements and learnings.

Some of the universities demand Admission Essays in place of Statement of Purpose. Essays are generally required for pursuing specific courses. SOPs and Essays should be originally written by the applicant and reviewed by their English Language Faculty members. Students may need to sit with their subject teachers and school counsellor for development of the Letter of Recommendations (LOR'S) and Statement of Purpose (SOP'S)

3. **School Transcript-** Mark Sheets from Grade IX-XII are converted into a one-page document on the school letter head after verifying the original marksheets submitted by the student through email at: pavp@dpsmathuraroad.org, attested by the school Principal/Vice Principals.
4. **Predicted Scores/Expected Scores in Class XII AISSCE Examination-** Students will require to submit their predicted scores for their final result prediction. In order to get their predicted scores from all their subject teachers they will have to request them personally to email their expected score in class XII final examination at pavp@dpsmathuraroad.org. Once all expected score for each of their subjects has been received, the document will, be prepared and student will be informed to collect the same from the Vice Principals office personally. No change in marks will be entertained once the document has been prepared.

Prayers and Songs

“Prayer should be the key of the day and lock of the night.”

-George Herbert

Prayers

-1-

Lord behold our family here assembled. We thank thee for this place in which we dwell; for the love that unites us, for the peace accorded us this day, for the hope with which we expect the morrow, for the health, the work, the food and the bright skies that make our lives delightful. Let peace abound in all our company. Give us the strength to encounter that which is to come so that we may be brave in peril, constant in tribulation, temperate in wrath and in all changes of fortune-loyal and loving-one to another.

-2-

Grant that we here may be set free from fear, from fear of evil; from fear of weakness, from fear of pain; and may spend the day without dishonour to ourselves or hurt to others and when evening comes we may lie down in peace. Deliver us from mean hopes and cheap pleasures, from seek-ing favour or from shirking hardships. Have mercy on each in his failings; let him be not cast down, support the stumbling on their way and give at last rest to the weary.

-3-

Where the mind is without fear and the head is held high
Where knowledge is free;
Where the world has not been broken up into fragments
By narrow domestic walls,
Where words come out from the depth of truth
Where tireless striving stretches its arms towards perfection,
Where the clear stream of reason has not lost its way
Into the dreary desert sand of dead habit,
Where the mind is led forward by Thee
Into ever widening thought and action,
Into that heaven of freedom My Father! let my country awake.

Rabindranath Tagore

-4-

Master give us this day hard work to do. Work that will stretch our muscles and engross our minds. Work that will employ all our powers of body, intellect and heart. If our work be the training and teaching of others, then make our minds pure and humble so that no stain of selfishness or lethargy of mean purpose or low ideas may obstruct this weighty and honourable service which has been committed to our charge.

-5-

Our Father, who art in Heaven, hallowed be Thy name. Thy kingdom come. Thy will be done, on earth as it is in Heaven. Give us this day our daily bread, and forgive us our trespasses, as we forgive those that trespass against us. Lead us not into temptation; but deliver us from evil.

-6-

Lord make me an instrument of Thy purpose. Where there is hatred, let me show love; where there is injury, forgiveness; where there is doubt, faith; where there is despair, hope; where there is darkness, light; where there is sadness, joy.

O Divine Master, grant that I may not so much seek to be consoled, as to console; to be understood, as to understand, to be loved as to love. For it is in giving that we receive, it is in forgiveness, that we are forgiven.

St. Francis of Assissi

-7-

God help me to be patient and make those who love me patient. Forgive and help them to forgive me, if I am unreasonable or demanding or when I lose my temper over little things. When I am in the wrong give me the grace to admit it wholly, neither offering excuses, nor trying to shift the blame. Make me more honest in my thinking, more charitable in my opinions.

-8-

O God, give me clean hands, clean words and clean thoughts. Help me to stand for the hard right against the easy wrong. Save me from habits that harm; teach me to work as hard, and to play as fair, in Thy sight alone as if all the world saw. Forgive me when I am unkind and help me to forgive those who are unkind to me. Keep me ready to help others at some cost to myself and give me chances to do some good every day.

-9-

Creator of all joys and beauty, we are blessed, by Thee this morning for the bright world, for the sunshine on the hills, for the mists on the rivers, for bird and beast, mountain, plain and forest, all giving glory to Thee in the radiance of the new dawn. We thank Thee that we may look, as Thou lookest upon all the beauty of the earth. O Master, lover of beauty and joy, make our hearts simple and trustful, make our wills lowly and pure, that we may share in Thy will whereby is created and upheld all the joy and the beauty of this, Thy great universe.

-10-

Father, hear the prayer we offer; our prayer is not for ease, but for strength that we may ever live our lives courageously. We do not ask for our way to lie forever in green pastures, but that we may tread rejoicingly-even the steep and rugged pathway. We do not pray-to be forever allowed to rest and stay idly by still waters, but that we may be able to smite living fountains from the rocks along our way. O Lord, God Almighty, be our strength in hours of weakness, or guide in our wanderings, and always be at our side through endeavour, failure and danger.

From The Bible

-1-

Judge not, that you be not judged. For with the judgement you pronounce you will be judged; and the measure you give will be the measure you get.

(Mathew 7:12, 5)

-2-

A disciple is not above his teacher, nor a servant above his master; it is enough for the disciple to be like his teacher, and the servant like his master.

(Mathew 10:24, 25)

-3-

Enter through the narrow gate; For wide is the gate and broad is the road that leads to destruction, and many enter through it. But small is the gate and narrow the road that leads to life, and only a few find it. The way is easy, that leads to destruction, and those who enter it are many. For the gate which is narrow and the ways hard to life, and those who find it are few.

(Mathew 7:13, 14)

-4-

Love your enemies and do good, and lend expecting nothing in return; and your reward will be great.

(Luke 6:35)

-5-

Conduct yourselves wisely towards outsiders, making the most of the time. Let your speech always be gracious, seasoned with salt, so that you know how to answer every one.

(Colossians 4:5, 6)

School Song

We sing together in joy and pride
DPS is the best in the whole world wide
A thousand voices in joyous song
We are proud of our school to which we belong.
Every experience, great or small
Has taught us to answer duty's call
To serve others before self
Is worth more than greed or pelf.
It is here that we learnt to laugh and play
We were moulded exquisitely every day
The Master potter with a hand so fine
Our school has shown us how to shine.
When we embark on the life we have sought
We will uphold the truths we have been taught
Ever loyal to our school and our service to give
We will make the world a better place to live.
