Dear Parent

In the month of April, each day was dedicated to ensuring the comfort and awareness of the children of the Pre-Primary Wing, fostering friendships, acquainting them with their teachers, and infusing joy into their learning experiences. School became a special place where they not only played but also absorbed knowledge effortlessly.

As summer approaches, we're gearing up for vacation time. The teachers have planned exciting activities to make sure your child's break is both enjoyable and enriching.
