NEWSLETTER - JANUARY'2020

Dear Parents,

Happy New Year everyone! It's great to see all of our students back full of smiles with a renewed enthusiasm. We hope everyone had a wonderful holiday season and rejuvenating break!

MAKING NEW YEAR'S RESOLUTIONS

WITH YOUR CHILD.....For many

of us, the New Year means it's

time to take stock of our lives and to improve it in the year

ahead. It's never too early to start teaching our little ones how to accomplish a goal, no matter how small!

Making resolutions with your children will not only help them understand responsibility and organization, but it can be fun for a family to map out their resolutions for the year together.

Like each one of you can state a few things that you wish to see them continue and a few which they must change... thereby giving them an opportunity to learn about self-discipline and the value of making goals.
