As a new month unfolds, our children embark upon new adventures in the world of learning.

In order to promote reading habits among our students

To take this a step further, we will be organising “WORD WEAVE WEEK” this month during which students will get a chance to deepen their understanding of the English Language and apply it to their daily lives.

We also look forward to celebrating India’s rich and vibrant festivals like-Gandhi Jayanti, Diwali, Durga Puja and Dusshera to foster intercultural learning experiences in our young ones.
