NEWSLETTER - JULY'2020

Dear Parents,

If 2020 is telling us anything, it's telling us to cherish each moment we have and don't take any day, anything, or anyone for granted....

Welcome back! It's great to see all of our little ones back full of smiles with a renewed enthusiasm. We hope everyone had a rejuvenating break!

Gratitude is a feeling that makes one great!

It takes a moment to reflect on how fortunate we are when something good happens whether it's a small or a big thing.

Expressing gratitude is one of the most important skills children need for lifelong and by doing so, we open up channels for goodness to enter into our lives.

One should talk to them about the countless blessings in their lives for which they are thankful for like family, friends, school, mentors and make them learn how to show appreciation towards those around.

So, practice gratitude and change your life!

(Ranjana Dean)
