NEWSLETTER-SEPTEMBER'2020

Dear Parents,

*Unity in diversity is India's strength. To celebrate this beauty of our nation and to strengthen the fabric of traditionally existing emotional bonds between the people of our country, a gamut of interdisciplinary activities were carried out as part of the **‘EK BHARAT SHRESHTHA BHARAT’** programme being initiated by the Government of India.*

To augment the awareness about our paired state of Sikkim, all the core subjects were taught integrating art forms-Visual as well as performing arts.

Promoting the spirit of national integration, our little ones showcased the rich heritage and culture, customs and traditions of Sikkim during their online classes.

It was so much fun interacting with them while they shared their experiences and best practices as responsible citizens.

We look forward to your continued support as we work together to make learning joyful for our little ones.

Happy learning and keep shining!

ALL THE BEST FOR MID TERM EXAMS!!
