CYBER MATRIX WEEK

26th – 30th August 2019

DAY 1 (26TH August)

The Cyber Matrix week exhibition commenced with the ribbon cutting ceremony by the Principal along with Vice- Principal, Head Mistress, Senior Mistress, Computer HOD and Parent Representatives . The topics related to cyber world like Cyber security, Google Glass , Artificial intelligence ,Viruses etc were highlighted which gave the endeavour to enhance the kids knowledge outside the books.

The Day 1 offered multifarious activities to bring out creative, critical thinking, problem – solving and scholastic skills in the students.

Class I - They had a fun activity in the form of worksheet on *Computer – A Smart Machine*

Class II – *Keyboard Krusher*- This activity was designed for the students to recognise the different keys on the keyboard.

Class III to V: *Who Wants To Be A Billionaire*, quiz activity was conducted in their classes. This quiz was to test the basics of computer which also induced a lively environment in classes using a play way method. The Questions were put up for the teams through Powerpoint presentation, the team who answered the maximum questions was declared as Billionaire.
