Delhi Public School, Mathura Road Primary Wing

Newsletter for the Month of December'22

Dear Parents,

As cold winds usher in the winter season, we bid adieu to yet another year of learning and fun. 2022 has been kind and has taught us many things. Most important of all, we have learnt to be grateful for what we have. As we look back on the year, we realise how our family and friends make us who we are. Christmas is a festival that brings everyone together.

- Finging in the Christmas spirit, students and teachers of Grade-3 will be presenting a special Christmas Assembly.
- As life picks up a familiar pace, we have also organised a Picnic to the Lodhi Gardens for the students of Grade-2.
- The curious minds of Grades 4 & 5 will also be visiting a Dairy Farm where they will learn how dairy products reach from farms to our plates.

Looking forward to another year of joy and togetherness.

Cheers!

Ranjana Dean

Headmistress

<u>DELHI PUBLIC SCHOOL, MATHURA ROAD</u>

ACTIVITIES FOR THE MONTH OF DECEMBER, 2022

Day	Class	Activity description	Material required	Learning outcomes
		World Soil Day World Soil Day 2022 (#WorldSoilDay) and its campaign "Soils: Where food begins" aims to raise awareness of the importance of maintaining healthy ecosystems and human well-being by addressing the growing challenges in soil management, increasing soil awareness and encouraging societies to improve soil health.	ford out Application of the United Histories Under Histories U	Children will become aware of the need to save soil and ways to do the same.
